

Green Valley Cattle
“Solid Foundation XVIII” Production Sale
Auctioneer: Matt Lowery, Burwell, NE

The Dennis Garwood family held their Green Valley Cattle Solid Foundation sale on Saturday March 1 at Shamrock Livestock Auction in O’Neill, NE. With temperatures nearing 70 degrees, this was the best weather Green Valley Cattle has seen on sale day in the 18 years of holding production sales. A large crowd gathered and was ready to do business with cattle selling to buyers in 10 states as well as over the internet. We are thankful and grateful for all who attended the sale and for everyone that purchased cattle we say, “Thank you! You have encouraged us greatly.”
